

Berkshire Dance Academy

Policy on Abusive, Threatening and Unacceptable Behaviour

1. Purpose and Statement of Intent

Berkshire Dance Academy is committed to maintaining the highest standards in all aspects of its work. Through clear policies and procedures, we aim to act fairly at all times and provide a safe, supportive and professional service to all who engage with the Academy.

All staff, teachers, volunteers, students, parents and carers who represent or engage with Berkshire Dance Academy are expected to uphold high standards of conduct and behaviour.

Learning—whether artistic, academic, social or personal—is best supported in an environment where individuals feel safe, valued, respected and motivated. Berkshire Dance Academy is committed to creating a positive learning environment in which behaviour expectations are clear, consistent and understood by all members of our community.

While the vast majority of interactions within our community are positive, this policy sets out the Academy's approach to addressing occasions where unacceptable, abusive or threatening behaviour occurs. The strong partnership between staff and families is central to our ethos; however, access to Academy premises and services is a **privilege, not a right**, and may be withdrawn where behaviour falls below acceptable standards.
